Hi Jessica, thanks so much for your help this morning!

I found the letter to Kevin Shelley initiating ESA consultation for ND's revised WQS in 2018.

One email was sent 8/31/18 and a follow-up email was sent 12/26/18. If you find a response, please share it with me. I really appreciate your help!

I'll send an email initiating informal consultation on NDDEQ's recently proposed revised WQS shortly.

Thanks!
